

BOLLINGTON CROSS PRIMARY SCHOOL

SEVERE WEATHER POLICY

The staff make every effort to reach the school when the weather is bad, but there are occasions when the school is unable to open. Thus, in the event of inclement weather at the beginning of the day, parents should remain with their children until a member of the teaching staff arrives as a decision to shut the school may not be made until the start of morning register.

Parents are asked to check the school website www.bollingtoncross.cheshire.sch.uk if in any doubt, or phone the school. Silk FM Radio 106.9 will also announce any school closures.

Parents should also note that they may have to make special arrangements to collect their children during the periods of bad weather. They should ensure that a member of staff is advised if they take their children home early.
